Process

1. The group leader will be given the behavior report card during orientation
2. Leader must hand report card to Memorial Ranger
3. Memorial Ranger will fill out Report card and return it to Education Specialist
4. Any “inappropriate” marks must have an explanation on back
5. Education Specialist will follow up with a phone call to the group leader and explain our concerns and to get the school’s perspective of the visit.

This report card is a subjective evaluation based on common sense expectations stated under the Appropriate Behavior section in the Memorial’s Guidelines for School Group Reservation and Visitation.
